What we do with the information we gather

We use your personal data in a variety of ways and in particular for the following reasons:

To provide the products and services you request

We need to process your personal data so that we can manage your account , provide you with the products and services you want to buy and help you with any orders and refunds you may request.

To manage and improve our products, services and day-to-day operations

We use personal data to manage and improve our , websites, mobile apps, and other services.

We monitor how our services are used to help protect your personal data, detect and prevent fraud, other crimes and misuse of services. This helps ensure that you can safely use our services.

We may use personal data to carry out market research and internal research and development, and to develop and improve our product range, services, IT systems, security and the way we communicate with you.

To personalize your experience

We want to ensure that marketing communications relating to products and services on our websites and mobile apps, including online advertising, are relevant to your interests.

To do this we may use your personal data to better understand your interests so that we can try to predict what other products, services and information you might be most interested in. This enables us to tailor our communications to make them more relevant and interesting for you.

Looking at your browsing behavior and purchases helps us to better understand you as a customer and it allows us to provide you with personalized offers and services.

We may also measure responses to marketing communications relating to products and services we offer, which enables us to offer you products and services that meet your needs as a customer.

If you do not want to receive personalized services from us, you can change your preferences online, over the phone or by emailing us at any time. We will update our records as soon as possible.

To make contact with you and interact with you

We want to serve you better as a customer so if you contact us, for example by email, mail, telephone or social media, we may use the personal data to provide clarification or assistance to you.

We may invite you to take part in customer surveys, questionnaires and other market research activities carried out by MaCher (USA), Inc. and by other organizations on our behalf.

To help us to better understand you as a customer, and to be able to provide you with services and marketing communications (including online advertising relevant to your interests), we may combine the personal data we collect when you make purchases with personal data collected from our websites, mobile apps and other sources.

We do **not** sell your personal data to third parties.

MARKETING COMMUNICATIONS AND MARKET RESEARCH

From time to time we may send you relevant offers and news about products and services in a number of ways, including by email. We may also send you information about other companies' products and services that we believe may be of interest to you. We will only do this if you previously agreed to receive these marketing communications.

When you register with us we will ask you if you would like to receive marketing communications. You can change your marketing preferences online, over the phone, using the "unsubscribe" link in our emails, replying STOP to the short code in our marketing text messages or by writing to us at any time. Of course, the choice is entirely yours, but if you say you do not want to receive marketing information from us you will miss out on receiving great offers and promotions that may be of interest to you.

You may still receive service-related communications from us. For example, confirming purchases you make with us and providing important information about the use of our services.

We would like to hear your views to help us improve our services, so we may contact you for market research purposes. You always have the choice about whether to participate or continue in our market research.

SHARING PERSONAL DATA WITH SUPPLIERS AND RETAIL PARTNERS

In order to provide products or services you have requested, we will share your personal data with suppliers, including companies and individuals from whom you made purchases.

We also work with carefully selected suppliers that carry out certain functions on our behalf. For example, companies that help us with IT services, storing and combining data, marketing, market research, processing payments and delivering products and services.

We may need to share personal data to establish, exercise or defend our legal rights; this includes providing personal data to others for the purpose or preventing fraud and reducing credit risk.

When we share personal data with other organizations we require them to keep it safe, and they must not use your personal data for their own marketing purposes.

We only share the minimum personal data that enables our suppliers and retail partners to provide their services to you and us.

SHARING PERSONAL DATA WITH AUTHORITIES

We may share the minimum personal data necessary with public authorities if the law says we must, or we are legally allowed to do so.

SHARING PERSONAL DATA WITHIN MACHER (USA), INC.

Our privacy notice applies to all of the services offered by MaCher (USA), Inc. but excludes services that have separate privacy notices that do not incorporate this Privacy Notice. We may share the minimum personal data necessary with other companies and members of MaCher (USA), Inc., for example, to provide the products and services you request; to manage and improve our products, services and day-to-day operations; to help to personalize your experience; where appropriate, to make contact and interact with you; and if allowed and appropriate, for marketing or marketing research purposes.

We may also share personal data with an organization we sell or transfer (or enter into negotiations to sell or transfer) any of our businesses or any of our rights or obligations under any agreement we have with you. If the transfer or sale goes through, the organization receiving your personal data can use your data in line with this Privacy Notice.

PROTECTING YOUR PERSONAL DATA

We are committed to ensuring that your information is secure. In order to prevent unauthorized access or disclosure, we have put in place physical, electronic and managerial procedures reasonably expected to safeguard and secure the information we collect online.

The security of your data also depends on you. For example, where we have given you or where you have chosen a password for access to certain services, you are responsible for keeping this password confidential.

The personal data that we collect from you may be transferred to and stored at a destination outside the European Economic Area ("EEA"). It may also be processed by organizations operating outside the EEA who work for us or for one of our suppliers. We put in place appropriate protections to make sure your personal data remains adequately protected and that it is treated in line with this Notice. These protections include and are not limited to, appropriate contract clauses, such as standard contract clauses approved by the European Commission, and appropriate security measures.

DATA RETENTION

We will retain your personal data for only as long as it is necessary for the uses set out in this Privacy Notice and/or to meet legal and regulatory requirements. After this period, we will securely erase personal data. If the

data is needed after this period for analytical, historical or other legitimate purposes, we will take appropriate measures to anonymize this data.

HOW WE USE COOKIES

A cookie is a small file which asks permission to be placed on your computer's hard drive. Once you agree, the file is added and the cookie helps analyze web traffic or lets you know when you visit a particular site. Cookies allow web applications to respond to you as an individual. The web application can tailor its operations to your needs, likes and dislikes by gathering and remembering information about your preferences.

We use traffic log cookies to identify which pages are being used. This helps us analyze data about web page traffic and improve our website in order to tailor it to customer needs. We only use this information for statistical analysis purposes.

Overall, cookies help us provide you with a better website, by enabling us to monitor which pages you find useful and which you do not. A cookie in no way gives us access to your computer or any information about you, other than the data you choose to share with us.

You can choose to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. This may prevent you from taking full advantage of the website.

LINKS TO OTHER WEBSITES

Our website or mobile apps may contain links to other websites of interest. However, once you have used these links to leave our site, you should note that we do not have any control over that other website. Therefore, we cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites and such sites are not governed by this Privacy Policy. You should exercise caution and look at the privacy statement applicable to the website in question.

SOCIAL MEDIA FEATURES

Our websites or mobile apps may contain social media features such as Facebook and Google+ that have their own privacy notices. Please make sure you read their terms and conditions and privacy notice carefully before providing any personal data as we do not accept any responsibility or liability for these features.

CONTROLLING YOUR PERSONAL INFORMATION

You have a right to ask for a copy of the personal data we hold about you, although you should be able to access online the personal data associated with your account.

You may request details of personal information which we hold about you. Please include any details to help us identify and locate your personal data. Where we can provide data access, we will do so free of charge except where further copies are requested in which case a small fee will be payable based on administrative costs.

If you believe that any information we have pertaining to you is incorrect or incomplete, please write to or email us as soon as possible. We will promptly correct any information found to be incorrect. You can also ask for your information to be rectified or erase, to object to the processing of your personal data and, where technically feasible, to ask for the personal data you provided us to be transferred to another organization.

We will update or erase your data, unless we have to keep it for legitimate business or legal purposes.

You can also contact us if you have complaint about how we collect, store or use your personal data. We aim to resolve your complaints but if you are dissatisfied with our response, you may complain to the local data protection authority.

Please submit your request or complaint in writing to:

Macher (USA), Inc.
